FOR IMMEDIATE RELEASE

UPDATED CLOSURE INFORMATION

U.S. 101/State Route 116 Construction
Northbound Traffic Lane Realignment on Saturday Night
Full Southbound Closures on September 8 and September 19

Petaluma, Sonoma County – Caltrans has scheduled several activities in September that are expected to impact traffic.

U.S. 101 Northbound Lane Realignment at State Route 116

Caltrans will modify the current detour for northbound U.S. 101 traffic at State Route 116. Northbound traffic currently moves to the southbound bridge and then returns to northbound U.S. 101. Caltrans will modify the curve of this detour. These changes are necessary to prepare for a traffic shift to the new section of the Petaluma River Bridge currently being constructed.

- One northbound lane will be closed on Saturday night, September 6, from 11 p.m. to 8 a.m., while the contractor restripes the lanes.
- Motorists should be alert for the new alignment when they drive through the construction zone

Southbound U.S. 101 Closure, Monday Night, September 8, and Friday Night, September 19

Southbound U.S. 101 will be closed at the Petaluma River Bridge on Monday night, September 8, and Friday night, September 19:

- **Note: the closure previously announced for September 12 was rescheduled.**
- Southbound U.S. 101 at State Route 116 will be closed **Monday night, September 8, from 10 p.m. to 4 a.m.**
- Southbound U.S. 101 at State Route 116 will be closed **Friday night, September 19, from 11 p.m. to 6 a.m.**

CONSTRUCTION NOTICE

- **Detour:** Exit at State Route 116/Lakeville Highway and turn left. Continue to State Route 37 and turn right. Continue to southbound U.S. 101. Motorists should expect travel delay and allow extra time to reach their destination.
- **Note:** Petaluma Boulevard South under the Petaluma Bridge will remain open during the southbound U.S. 101 closure.
